INSTRUCTIONS:

Please submit your entry in a three ring binder. The documentation of your company's involvement promoting the aggregates industry in Indiana is the vital part of this entry. It will be awarded entirely on what you show us that your company and its employees have done to promote the industry. The award is not totally based off of sponsorships, funding efforts, or money spent locally...it is about the involvement & service by the company and its employees. Entries should list the events that your companies and its employees have participated in, the number of employees involved, and the time that they spent engaged in them. Photos are a big help. Make sure that all photos are clearly labeled. Add extra sheets for explanations, if necessary. We want to know what you do and who does it; and what makes your company special.

Remember: This award is based on things that your company and its employees were involved with during this calendar year in the state of Indiana, not activities done in past years or by locations in other states.

Questions? Call the IMAA office. (317) 580-9100

This award will be presented at the 2012 Winter Workshops on February 8th.

Send your completed entry to the IMAA office by Friday, December 9, 2010.

Indiana Mineral Aggregates Association
